Amazing brand new renovation in the exclusive Dunwoody Club Forest neighborhood! Just minutes from Dunwoody Country Club, this estate-like property sits elegantly on a picturesque corner lot. The thoughtful new design combines all the modern touches while preserving the traditional feel of the architecture of the neighborhood. The gracious foyer and formal staircase welcomes you in and makes you feel instantly at home. The traditional floor plan has been opened up some to let in the light from the many large windows. The brand new kitchen with higher end stainless steel appliances, quartz counters, island with seating, pantry and huge eat in area will satisfy any chef! The oversized laundry room has a sink and direct access to the outside. The back stairs lead to an oversized suite with full bath and additional bedroom perfect for office, exercise, or nursery. 2nd floor also has 2 additional bedrooms, a hall bath and so many closets! The Owner's suite is magnificent! A giant bedroom and sitting area, 2 custom closets and a dreamy spa bath with designer tile, freestanding tub, and spa shower. The basement is mostly finished with a half bath, fireplace, and bar area. Tons of storage! Dunwoody Club Forest is a place to really enjoy life with fun neighbors, desirable schools, and rooming door so close to all Dunwoody and Atlanta have to offer.
